Section 1: Progress on inclusive data priorities

No.	Question	Guidance	Champion response
1.1	What progress have you made on your Inclusive data priorities/ IDC Action Plan priorities in the past year?	Include examples to accompany any highlights or achievements.	We have continued to promote the collection and use of disaggregated data, for example in our report formats for subgrantees and partners, and to draw attention to the exclusion of street children from development data.
1.2	What areas of your Inclusive data priorities/ IDC Action Plan have you made the least progress on, in the past year?	Include any challenges or barriers faced.	We have not been able to attract funding for the work around counting methods and inclusion of street children in household survey methods. The network survey and mentoring programme that made up our second objective has been put on hold.
1.3	Have there been any changes to your Inclusive data priorities/ IDC Action Plan objectives in the last year?	(Yes, No) <i>If yes, please give details of any changes</i>	Yes. The network survey and mentoring programme that made up our second objective has been put on hold. The focus of our work on development data has shifted from counting and population

			estimates to forming a working group of experts to promote more inclusive survey methods.
1.4	Has the progress on advancing your inclusive data priorities/ IDC Action Plan led to any changes (internally or externally) in one or more of the following areas?	<p><i>Checklist – tick all that apply:</i></p> <ul style="list-style-type: none"> ● Increased visibility and awareness on inclusive data ● Broader engagement and action being taken on inclusive data ● Increased capacity to collect, analyze and make use of inclusive data ● Strengthened coordination and collaboration with others to advance inclusive data objectives ● Strengthened knowledge exchange & learning ● Other (please specify) 	<ul style="list-style-type: none"> ● Increased visibility and awareness on inclusive data (internally and externally) ● Increased capacity to collect, analyze and make use of inclusive data (internally) ● Strengthened coordination and collaboration with others to advance inclusive data objectives (internally) ● Strengthened knowledge exchange & learning (internally and externally)
