Section 1: Progress on inclusive data priorities

No.	Question	Guidance	Champion response
1.1	What progress have you made on your Inclusive data priorities/ IDC Action Plan priorities in the past year?	Include examples to accompany any highlights or achievements.	<p>We commit to leaving no one behind by advocating for disability data:</p> <ul style="list-style-type: none"> o We have continued to advocate for the inclusion of disability data in the global SDG indicator framework to ensure persons with disabilities are counted, measured, and not left behind again in sustainable development; o We supported OPD partners to present in a side event during the Global Disability Summit;

			<ul style="list-style-type: none">o We organized and supported OPD partners in a side event on data and women with disabilities during the Conference of States Parties to the CRPD; o We supported OPD partners to present in data values events during UNGA; o We supported and co-presented on partnerships in the annual Washington Group meeting; o We supported and co-presented on disability data to different UNFPA Asia Pacific focal points; o We continued to partner with UNFPA Asia Pacific to carry out disability data work in the AP region, which includes finalizing a training on disability data advocacy for OPDs; o We convened a meeting of inclusive data stakeholders (including IDC), including OPDs in Nairobi in June. The objective was to bring different stakeholders together to learn from one another about inclusive data in Kenya. A report was written and we're finalizing short videos (with International Sign and captions) that will be launched at upcoming global events, e.g., the World Data Forum 2023; o We supported an OPD partner and co-presented in a webinar on a global perspective of disability data to NHRIs; o We supported an OPD partners and presented at the IAEG-SDGs meeting and citizen data meeting in Bangkok (forthcoming); and o Continue to work with one of our partners, the World Federation of the Deaf, to strengthen data on deaf persons and to include national sign languages into minority languages and related data collection efforts. More information: https://cbm-global.org/news/why-is-data-important-for-deaf-people. We align with the principle of the importance of community and citizen driven data, particularly in a humanitarian context:

			<ul style="list-style-type: none">o We support the International Civil Society Centre’s Leave No One Behind (LNOB) Partnership that focuses on collecting citizen-generated data from the most marginalized groups to measure the SDGs;o We started to collaborate with IOM on data on migrants with disabilities;o We contributed as part of the Stakeholder Group of Persons with Disabilities into a publication. The topic is “Inputs on the importance of inclusive data and the role of organizations of persons with disabilities in data collection in humanitarian settings” and is for the report from Internal Displacement Monitoring Centre on about internally displaced persons with disabilities. It will be launched on December 3;o We will support an OPD partner to present in an event on migration and disability data in a webinar “On the road to Santiago” as a lead-up to the IFMS (in January). <p>We support advocacy initiatives that call for inclusive data that promotes transparency, but also recognise the need for protection and confidentiality:</p> <ul style="list-style-type: none">o We are part of UNICEF’s Strategic Advisory Group of the Centre of Excellence on Data for Children with Disabilities and co-presented and supported an OPD partner to present in the UNICEF workshop on data on children with disabilities. <p>We recognise the need for strengthening our organisation’s data skills and we recognise this is also critical for our partners:</p> <ul style="list-style-type: none">o We continue to support persons with disabilities and their representative organizations in data advocacy to gather and understand how to use data for advocacy by: § co-coordinating global advocacy efforts for inclusive data via the SGPwD, § co-managing the open-source disability data listserv, § continuing to disseminate and share the

This includes an interactive, eight-module training for OPDs that was piloted at the end of 2021. We received feedback from OPDs from the pilot trainings and incorporated them into the revisions in 2022. We are finalizing the disability data advocacy training for OPDs that will be an open source.</p>
1.2	What areas of your Inclusive data priorities/ IDC Action Plan have you made the least progress on, in the past year?	Include any challenges or barriers faced.	Working on the appropriate and effective use of disaggregated data to improve gaps in our programmes with respect to groups left furthest behind. We have focused on supporting and advocating for inclusive data outside of our organization, but less so on programs within our organization.
1.3	Have there been any changes to your Inclusive data priorities/ IDC Action Plan objectives in the last year?	(Yes, No) <i>If yes, please give details of any changes</i>	Yes. There has been an increased focus on inclusive data priorities. With the development of the advocacy strategy for CBM Global, data was highlighted as a key crosscutting pillar of our advocacy work. In early 2023, we will set up an internal data working group to ensure that disability data work is integrated throughout the federation. We are waiting for our indicator framework to be finalized before forming this group.

1.4	Has the progress on advancing your inclusive data priorities/ IDC Action Plan led to any changes (internally or externally) in one or more of the following areas?	<p><i>Checklist – tick all that apply:</i></p> <ul style="list-style-type: none"> ● Increased visibility and awareness on inclusive data ● Broader engagement and action being taken on inclusive data ● Increased capacity to collect, analyze and make use of inclusive data ● Strengthened coordination and collaboration with others to advance inclusive data objectives ● Strengthened knowledge exchange & learning ● Use of inclusive data to inform policy change or impacts for marginalised groups 	<ul style="list-style-type: none"> ● Increased visibility and awareness on inclusive data (internally and externally) ● Broader engagement and action being taken on inclusive data (internally and externally) ● Increased capacity to collect, analyze and make use of inclusive data (internally and externally) ● Strengthened coordination and collaboration with others to advance inclusive data objectives (internally and externally) ● Strengthened knowledge exchange & learning (internally and externally) ● Use of inclusive data to inform policy change or impacts for marginalised groups (internally and externally)

Section 2: IDC network engagement

No.	Question	Guidance	Champion response
2.1	In the last 12 months, have you engaged in any advocacy around the IDC, like encouraging other organizations to join or speaking about the IDC at events?	(Yes, No) <i>If yes, please give details, including any examples</i>	Yes. We have engaged in a few IDC events and have coordinated with other members, including IOM, Leonard Cheshire, and Sightsavers. We met with the government of Malta and encouraged them to join the IDC and they met with Kate Richards afterward to discuss this possibility further. I have connected with IDC in Kenya (Karen) in the convening we funded, as well as in NYC during the UNGA as part of the Data Values Campaign (with Kate and Karen). Recently, we had a joint call about the EOI of the disability data portal (with Ticha).

2.2	In the last 12 months, has being part of the IDC enabled you to collaborate with other Champions or partners to take forward your inclusive data priorities?	(Yes, No) <i>If yes, please give details, including any examples.</i>	Yes. Same as above.
2.3	In the last 12 months, have you shared learning with other countries/organizations on the actions you are taking on inclusive data?	(Yes, No) <i>If yes, please give details, including examples.</i>	Yes. We have disseminated the disability data advocacy toolkit, presented about the disability data advocacy training for OPDs, and shared information about the partnership with UNFPA in various events. In partnership with OPDs, or supporting OPDs, we have presented in various events on inclusive data throughout the year. We have engaged with UN Statistics Division on SDG data advocacy, especially since disability data are significantly left behind in measuring the SDGs.
2.4	Which of the offerings below have you found to be the most valuable to you as a member of the IDC network in the last 12 months?	<p><i>Checklist – tick all that apply:</i></p> <ul style="list-style-type: none"> ● Communication opportunities e.g. blogs, data stories ● Participating in external events ● Participating in knowledge exchange & learning sessions e.g. Champion calls ● Resources and materials shared through the network ● Collaborating with other Champions on shared challenges or topics of interest ● Being part of a network coming together on a common vision / goal ● Receiving support from the IDC Secretariat ● Other/ please specify 	<ul style="list-style-type: none"> ● Participating in external events ● Participating in knowledge exchange & learning sessions e.g. Champion calls ● Collaborating with other Champions on shared challenges or topics of interest ● Being part of a network coming together on a common vision / goal ● Receiving support from the IDC Secretariat
