### Progress on inclusive data priorities

No	Question	Guidance	Champion response
1.1	What progress have you made on your Inclusive data priorities/ IDC Action Plan priorities in the past year?	Include examples to accompany any highlights or achievements.	We have made progress in all our IDC priorities. We made commitments around data and persons with disabilities at the Global Disability Summit 2025, including on the OECD disability DAC marker. We have been actively engaged in strengthening OPD-led citizen data and supporting OPD partners to engage in data advocacy. We have profiled OPDs leading data work, especially through an intersectional lens. We continue to engage in various steering committees and groups around data. We continue to advocate for disability data in the SDGs and sustainable development more broadly.

1.2	What areas of your Inclusive data priorities/ IDC Action Plan have you made the least progress on, in the past year?	Include any challenges or barriers faced.	One area in which we made less progress was around the BRIDGE training.
1.3	Have there been any changes to your Inclusive data priorities/ IDC Action Plan objectives in the last year?	<b>(Yes, No)</b> <i>If yes, please give details of any changes</i>	No.
1.4 a	Has the progress on advancing your inclusive data priorities/ IDC Action Plan led to any changes (internally or externally) in one or more of the following areas?	<p><i>Checklist – tick all that apply:</i></p> <ul style="list-style-type: none"> <li>● Increased visibility and awareness on inclusive data</li> <li>● Broader engagement and action being taken on inclusive data</li> <li>● Increased capacity to collect, analyze and make use of inclusive data</li> <li>● Strengthened coordination and collaboration with others to advance inclusive data objectives</li> <li>● Strengthened knowledge exchange &amp; learning</li> <li>● Use of inclusive data to inform policy change or impacts for marginalised groups</li> </ul>	<ul style="list-style-type: none"> <li>● Increased visibility and awareness on inclusive data <b>(internal and external)</b></li> <li>● Broader engagement and action being taken on inclusive data <b>(internal and external)</b></li> <li>● Increased capacity to collect, analyze and make use of inclusive data <b>(external)</b></li> <li>● Strengthened coordination and collaboration with others to advance inclusive data objectives <b>(internal and external)</b></li> <li>● Strengthened knowledge exchange &amp; learning <b>(internal and external)</b></li> <li>● Use of inclusive data to inform policy change or impacts for marginalised groups <b>(internal and external)</b></li> </ul>
1.4 b	Please briefly highlight any specific examples or stories demonstrating the changes that have occurred in behaviour, practice, policy, or systems as a result of your work on inclusive data in the last year		Supporting grassroots OPD partners in data events led to connections and South-South cooperation. Through increasing partnership around citizen data and intersectionality, CBM Global collaborated with Open Data Watch to produce a paper highlighting three OPDs and their experiences in intersectional data projects.
