Progress on inclusive data priorities

No	Question	Guidance	Champion response
1.1	What progress have you made on your Inclusive data priorities/ IDC Action Plan priorities in the past year?	Include examples to accompany any highlights or achievements.	We finalized our IDC action plan and have revised the ToR for our internal data working group to implement the plan. At the same time, we continue to focus on inclusive data in our areas of our work (advisory, advocacy, and programs) as data is a priority for CBM Global. We have actively supported citizen-generated data processes led by organizations of persons with disabilities and have been active in the UN Collaborative on Citizen Data. We are advancing on our internal data processes.

1.2	What areas of your Inclusive data priorities/ IDC Action Plan have you made the least progress on, in the past year?	Include any challenges or barriers faced.	We continue to work internally on our own data processes. Establishing the internal data working group has helped connect the data dots within the federation.
1.3	Have there been any changes to your Inclusive data priorities/ IDC Action Plan objectives in the last year?	(Yes, No) If yes, please give details of any changes	No
1.4	Has the progress on advancing your inclusive data priorities/ IDC Action Plan led to any changes (internally or externally) in one or more of the following areas?
