SECTION 1 : IDC action plan progress

No.	Question	Guidance	Champion response
1.1	What progress have you made on your IDC action plan in the past year?	*Include any highlights or achievements with examples. This can also include any COVID-19 related reflections*	- We have delivered a range of internal capacity building resources and events. These have included: development of a Data - Disaggregation Resource Library; a community of practice providing guidelines on how to use the Washington Group (WG) Questions on disability; collating a set of case studies to improve the programming process; and supporting the GPSDD to produce guidance on how to navigate and engage with different types of Citizen-generated initiatives.

			• We funded the World Bank Trust Fund for Statistical Capacity Building (TFSCB) which has supported the use of innovative sampling • techniques to collect data on nomadic populations in Mongolia. The findings from this survey will provide important statistical insights about the lives of the nomadic herders that was not previously available in Mongolia, broadening the scope of what life is like in the country and ensuring that everyone is properly accounted for. In addition, the innovative approaches and lessons learned from this pilot survey will be a useful resource and public good for other countries that are similarly struggling with the data collection of nomadic populations.
1.2	What areas of your IDC action plan have you made the least progress on, in the past year?	*Include any challenges or barriers faced. This can also include any COVID-19 related reflections*	We have had to pivot some of our resources to assist with our COVID-19 response
